100% of OR and IE students who graduated in May ‘15 and October ‘15 from the Fall 2014 cohort (i.e. those who started in August of 2014) found job placement. We are still collecting data for those who graduated in February 2016 and hope to publish a full placement report by Summer 2016.

OR and IE students go into a variety of different areas after graduation, including seeking further study. The graph below is a breakdown of industry placement.

This past year, a large percentage of graduates joined the Financial Services Industry in a variety of functions.
2015/2016 Top Financial Services Employers

- American Express
- Citi
- Citic Securities
- EY
- Goldman Sachs
- J.P. Morgan
